

SONOMA, JUNE 16, 1894.

H. H. GRANICE, EDITOR.

The Supervisors.

The Board of Supervisors, after being in session for one week, adjourned last Saturday to meet again on July 2nd.

The following business was transacted:

A. Bumbaugh of Santa Rosa was awarded the contract for painting the County Hospital for \$423, his bid being the lowest.

Martin Kelly was appointed Poundmaster of Dry Creek District.

On petition from W. H. Switzer and others in the Sonoma Road District for a road to run from Schellville to the Napa road P. R. Davis, E. P. Cutter and W. C. Goodman were appointed viewers.

F. S. Cowan was awarded the contract for supplying the county with wood at the following figures: Black oak, per cord, \$5; pine, per cord, \$4.40.

Contracts for supplies for the County Hospital for the quarter ending September 30th, 1894, were awarded as follows: E. A. Wilson, Grace Bros., and G. F. King, groceries; Noonan & Towey, meats.

The bill of Knight's Valley road district for the sum of \$191.95 was allowed.

The usual monthly bills were allowed, together with the sum of \$549 for the indigent poor for the month of June.

Chas. Prosek was appointed Poundmaster of Pocket Canyon district, located in Redwood township.

The reports of B. P. Smith, county physician; J. H. Weise, jailor, and A. E. Yates, farmer, were read and approved.

The resignation of G. W. Sparks, constable of Sonoma township, was accepted and A. E. Griffith was appointed to fill the vacancy created by the resignation for the unexpired term of G. W. Sparks.

The bill of Cloverdale Road District in the sum of \$218.97 was allowed.

The petition of Hugh Gray et al. in Petaluma Road District for a new road, meeting the requirements of the Board, the same was declared a public highway.

The report of School Superintendent Martin was read, accepted and filed.

The terms of Prof. Bull of Healdsburg and Prof. Cromwell of Petaluma, members of the Board of Education, having expired, the Supervisors on Saturday proceeded to elect their successors.

Supervisor Hall placed Judge J. T. Campbell in nomination and Supervisor Joost named F. L. Wright of Guerneville. Supervisor Sales nominated F. M. Cromwell of Petaluma and Supervisor Meade named H. R. Bull of Healdsburg. Campbell and Wright were elected.

The County Clerk was instructed to advertise for bids to repair and paint the court house. He was also authorized to have speaking tubes constructed connecting the court rooms with the Sheriff's and County Clerk's office.

The reports of the Auditor and Treasurer were adopted. The deeds in the matter of the petition of W. J. Garrison et al. for a public highway were accepted.

The Clerk was instructed to advertise for proposals to grade and construct a bridge at Porter Creek. He was also instructed to advertise for bids for a one-story house and fence around the same at the County Hospital.

Mrs. Neomar was placed on the indigent list and allowed \$5 per month.

The Clerk was authorized to advertise for bids with plans and specifications for repairing the County Court House and bids to be received up to July 6th next at 10 o'clock. The roll call was called and resulted as follows: Mead, no; Joost, aye; Thompson, aye; Hall, aye; Sales, aye.

The Clerk was authorized to advertise for sealed bids with plans and specifications to construct a one-story frame building at the County Hospital, dimensions to be 46x33 feet, partitioned into two rooms of equal size, shingle roof and ceiled inside; also to construct a rough board fence in connection with said building 104 feet in length and 10 feet in height. Bids to be received up to August 9th next at 10 o'clock. All bids must be accompanied with a certified check of 10 per cent of amount of bid, payable to F. W. Wines, County Clerk, Sonoma county. The Board reserves the right to reject any or all bids.

A motion was made by Supervisor Joost that James A. Mead, Road Commissioner of Knight's Valley Road District, be authorized to supervise the construction of Mayacum bridge across the Mayacum Creek.

On motion the Board adjourned to meet again at the next regular meeting, July 2nd at 10:30 A. M.

HIGH SCHOOL EXERCISES.

Great Praise Due Principal Abshire and Vice-Principal Miss Reed.

The first annual exercises of the Sonoma Valley Union High School were held in Union Hall on Friday evening of last week. The hall was filled to its utmost seating capacity long before the time announced for the exercises to commence. Those who arrived after that hour had to content themselves standing up, with the sides of the hall for a back rest. The audience represented the culture and refinement of Sonoma Valley. Prof. Abshire, the principal, and Miss Georgia Reed, Vice Principal, received many compliments during the evening for the success of the entertainment and for their able management of Sonoma's pride, our High School.

The graduates were Miss Bessie R. Knight and Charles C. Champin. The latter read an able essay in an easy and graceful manner, which reflected credit on his late tutors.

The following programme was rendered: Piano Solo—Miss Anna Watersworth; Prayer—Rev. Mr. Moreton; Address of Welcome—Chas. Champin; Song—Choral Society; Cornet Solo—Prof. Hugh Maxwell; Address to Graduates—Rev. Mr. Chase.

There was also presented a laughable farce entitled "A Box of Monkeys," with the following cast of characters:

Miss Sierra Bengaline, Miss Bessie Knight, Edward Raftia, Frank Womus, Lady Guinevere Lindpoore, Miss C. Hope Chauncey Ogelthorpe, Chas. Champin, Mrs. Oniego-Thomes, Miss Pauline Bates.

At the conclusion of the exercises the young graduates were the recipients of a number of beautiful floral pieces.

Meat tender and juicy at Weyl's meat market.

The official reports show that no baking powder received an award over the Royal at the Chicago World's Fair.

The judge of awards on baking powder, Dr. H. W. Wiley, writes that the claim of another company to having received the highest award is false; that no such award was given to it.

The Royal Baking Powder is the purest and strongest baking powder made, and has received the highest award at every fair, wherever exhibited in competition with others.

FRANK L. COOMBS and M. M. ESTEE of Napa are both aspiring to the nomination for Governor on the Republican ticket. The former made a proposition to the latter in writing to let the Republican voters of their county decide the question as to which one should stay in the fight and which one should withdraw. Estee, however, declined the proposition, and says that he will be a candidate before the convention whether he secures his home delegation or not.

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

HEART DISEASE.

Fluttering, No Appetite, Could not Sleep, Wind on Stomach.

"For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought every minute would be my last. There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I could not sweep a room without resting. My husband induced me to try

The Sonoma Grammar School will hold an entertainment at Union Hall next Monday evening. The pretty opera of Red Riding Hood which will be well rendered by the scholars in bright costumes, will make it well worth seeing. There will also be vocal and instrumental solos, dialogues, drills and recitations by the children of the different grades, and in consequence almost every relative and friend of the school children will be present.

A very unexpected and sudden death occurred in the office of Dr. J. J. King of Los Gatos, last Monday. It seems that Eugene Parsons, a boy about fourteen years of age, went to the dentist to have some teeth extracted, but before having the operation performed insisted on having chloroform administered, which he had taken many times before. The doctor administered the chloroform and successfully extracted two of the boy's teeth, but when about to pull the third the lad's pulse suddenly ceased to beat and he was found to be dead. Heart failure is supposed to be the cause of his death and therefore no blame is attached to the dentist. Dr. King is well and favorably known in this place where he had an office for several years.

The bon-bon social given by the managers of the Glen Ellen Park, Messrs. Trol and Elliott, last Wednesday evening, in the Park Pavilion, was a social success in every respect. Nearly 100 couple, comprising many of the leading party-going people of Sonoma Valley, were present, and all were high in their praise of the music and the pleasant manner in which everything connected with the affair passed off. Mr. M. McDonough, the affable conductor of the San Francisco & North Pacific Railway, and J. E. Sutcliffe acted as floor managers. A unique feature of the party was the numbers on the dance programme, which were dedicated as follows: "To the Mervyn Hotel," "The Campers," "Officers of the H. F. M. C.," "Our Assembled Guests," "Sonoma Index-Tribune," "The Park Proprietors," "The Village Blacksmith," "Bennett Valley," "The Conductor," "Kenwood," "Old Sonoma," "Agua Caliente Springs," "Glen Ellen," "The Ladies," "The Fireman," "The Brakenman," "Friendship," "The Engineer," "The Station Agents," "The Summer Girls," "The City of Roses." The attendance from Sonoma was thirty.

TAX-PAYERS UP IN ARMS.

Proposed Purchase of the Old College Building for a High School Being Denounced on all Sides.

For once the taxpayers of the Sonoma Valley Union High School District have been aroused at what they conceive to be a trespass upon their rights by the proposition of certain members of the High School Board of Trustees to foist upon them the old College building on Broadway at a cost of \$2100, and the Lord only knows how much more for repairs.

The Taxpayers say, and very sensibly, too, that there is no immediate necessity for the purchase, which if consummated would cinch them to the tune of \$2100 for buying the building and about \$2,000 more for putting it in proper shape. That, after all this money has been expended, they would still be without a proper building, and one that is not considered safe at that, an accident having occurred about two years ago by the giving away of the rear porch and stairs leading up to the same whereby a number of the students were badly injured.

The people claim that the building was for sale one year ago for \$1600 and that being the case they want to know why the price has been raised \$500 on a declining real estate market and how much commission there is in it for the agent who has offered the property time and again to parties in this valley for \$1600.

That being so they do not propose to submit to being imposed upon. As they have to put their hands down in their pockets to pay for an unsuitable building and the agent's commission which goes with it the people claim they ought to have some say in the matter.

Nearly all the taxpayers of the Union High School District also agree that if a High School building must be provided for the districts comprising the union let the matter be properly submitted to the people who will have to put up with it.

The taxpayers of the Sonoma School District favor the erection of a High School building on the public school property in Sonoma. They say they would be willing to vote a portion of the land for a High School without cost to the other districts. This is a fair proposition and one which ought to be considered by the High School Trustees.

With the land for nothing and a new building erected thereon perfectly suitable for the purposes intended, at a cost not exceeding \$1,500 or \$2,000, it can readily be seen that it would be sheer folly and waste of money to expend \$4,000 in buying and repairing an old building utterly unsuitable for High School purposes. But of course in this latter proposition there would be no seller, hence no commission to come out of the taxpayers' pocket, to say nothing of the several thousand dollars that would be saved by allowing the people of the Sonoma School District to donate a part of the public school lot for High School purposes and erecting a new building on the same.

There are also a number of taxpayers in the Union High School District who are not only opposed to the purchase of the college building, but are also against the High School on the grounds that the expense of maintaining the same is too high for the amount of benefit derived. With these it would be but a waste of words to argue that question because the time for such argument has passed. The Union High School is now an established fact, and it cannot be abolished except by an Act of the Legislature unless the attendance of scholars fall below ten. Then it would cease to exist according to law. As the Legislature is not apt to repeal the law and as the next term of the school will open with thirty or forty students it ought to be patent to any one that we have got the High School. That being so, all that now remains to be done by those who are called upon to support it—advocates and opponents alike—is to stand in, together and prevent the consummation of a scheme to foist upon the taxpayers an unsuitable and expensive building in which to maintain that High School. All other considerations should be laid aside until the outrageous proposition is laid low.

The following persons are mentioned as probable candidates for Governor on the Republican ticket: Attorney-General W. H. Hart, General W. H. Dimond, W. S. Barnes, H. C. Phillips of San Luis Obispo, M. M. Estee and Frank L. Coombs—Santa Rosa Paper.

What's the matter with J. R. McDonald of San Joaquin, who will also be a prominent candidate before the Sacramento Convention and who will receive among others the vote of the Sonoma delegates, M. K. Cady, who is pledged for him.

Families visiting Sonoma will find the Sonoma House a first-class hotel in every respect.

The Graves Estate.

W. F. Russell of Santa Rosa has been appointed by Judge Dougherty attorney for Frank W. Gordon and Daisy M. Gordon, the minor heirs of the late Wm. H. Graves of this place, children of deceased, now residing in London, who were left the bulk of the estate which will run well up into the millions.

A petition has also been filed in the Superior Court by William Alvord, executor of the estate, asking for an order to sell the mining stock belonging to the estate. Judge Dougherty ordered that all persons interested appear before him on the 18th day of June at 10 o'clock.

Hay Crop but Slightly Damaged.

Reports from all over Sonoma Valley agree that the late rains did but slight damage to the hay crop. The winds of the past week were worth thousands of dollars to those of our farmers who had already cut their hay and which it was feared one week ago would be a total loss. On the Jones and Ross ranches thousands of tons of hay were saved by the timely wind which dried up the moisture in the hay and prevented it from becoming mildewed.

Heavy Basalt Block Shipments.

Nearly 100,000 basalt paving blocks have been shipped from Schocken's quarries in this place to San Francisco during the past month. Shipments still continue to be made daily over the San Francisco and North Pacific Railway. The industry is giving employment to a large number of men at the present time.

The Law in the Case.

Following is the law governing High School Trustees in regard to their powers in buying or selling High School property. The law is quoted from the Political Code, statutes of 1893:

Sec. 1670, sub. 11—High School Trustees shall have the same powers and duties as District School Trustees.

Sec. 1670, sub. 20—They may buy or sell school lots if so directed by a majority of the qualified electors at a meeting called for such purpose.

It will be seen from the above that the people have got some say in the matter in regard to the proposition of buying the old college building for High School purposes.

Schocken always keeps on hand a complete stock of fresh groceries and dry goods.

A Democratic editor, who has been hit hard along with the rest of the country, thus rhythmically voices his woe: "Sing a song of nickels, pockets full of trash, over head and ears in debt, out of ready cash. Heaps of flying collectors, busy as can be, ain't we had a busy time in 1893? Grover in the White House, playing with the kids, Carlisle in the Treasury, canceling silver bids. Congress trying all they can to make us still more poor, ain't we got a bright lookout for 1894?"

The receipts for fruit short cake are legion, but none can excel the following sent from New Jersey: Sift two teaspoons of baking powder through a quart of sifted flour; rub through two ounces of butter and wet to a soft dough with cold milk. Mix lightly and pat into a cake ten inches in diameter and thick enough to split; bake immediately on a griddle, and while still warm pull apart; spread both halves with the best butter, cutting it in little bits and dropping it on, but not pressing it with a knife; spread the lower layer thickly with crushed strawberries, raspberries or a mixture of raspberries and currants well sugared, put on the top crust, dust with sugar and send at once to the table, where it must be cut with a hot knife and smothered with cream. Peaches halved and sugared may be used.

REMINGTON.
Glen Ellen, June 14th, 1894.

Dr. M. J. Davis is a prominent physician of Lewis, Cass county, Iowa, and has been actively engaged in the practice of medicine at that place for the past thirty-five years. On the 26th of May, while in Des Moines, en route to Chicago, he was suddenly taken with an attack of Diarrhoea. Having sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for the past seventeen years, and knowing its reliability, he procured a 25 cent bottle, two doses of which completely cured him. The excitement and change of water and diet incident to traveling often produce a diarrhoea. Every one should procure a bottle of this remedy before leaving home. For sale by all dealers.
